

<b>AEI Lighting</b>	Lighting products including LED, T5/T8/T5HO fluorescent, induction, and natural light skylights
<b>Dialight</b>	High-specification lighting fixtures specifically designed for industrial, commercial, <u>hazardous location</u> , transportation and public infrastructure applications
<b>EncapSulite</b>	Safety lighting including waterproof lighting and shatter resistant lamps – LED waterproof fixtures, safety coated fluorescent and HID lamps
<b>Engel Coolers</b>	High performance coolers, soft coolers, AC/DC fridge/freezers
<b>FSC (Fluorescent Supply Company)</b>	Full range of LED and fluorescent high bays, troffers, strips, and retrofit kits
<b>Hioki</b>	Test and measurement instruments
<b>IR-TEC</b>	Sensors and control devices for building security and energy management, including wall switch sensor, occupancy sensor, daylight sensor, power pack and controller
<b>MaxLite</b>	Full LED, CFL, and fluorescent offering: <i>LED</i> (area lights, high bays, retrofit kits, floods, wallpack, vaportites, wraps); <i>CFL</i> (lamps, fixtures, floods, high bay, decorative fixtures)
<b>Mobern Lighting</b>	Full range of LED and fluorescent high bays, troffers, strips, and retrofit kits
<b>Penn-Union</b>	Full line of electrical connectors
<b>Princeton Tec</b> (GA & FL Panhandle only)	Flashlights, head lamps, and other technical lighting sources for outdoor use
<b>Prolume LED</b>	LED exit and step lighting, custom designed LED lighting products
<b>S &amp; C Electric Company</b>	Smart grid solutions for commercial and industrial applications: <ul style="list-style-type: none"> <li>• Medium voltage switchgear <ul style="list-style-type: none"> <li>– Metal enclosed</li> <li>– Pad mounted</li> <li>– SF6 gas-insulated</li> <li>– Arc-resistant</li> </ul> </li> <li>• Medium voltage UPS systems</li> <li>• Overhead distribution switches</li> <li>• Substation circuit switchers</li> <li>• Energy storage systems</li> <li>• Smart grid communication and control</li> </ul>
<b>Universal Lighting Technologies</b>	Full range of lighting products and control systems including LED, HID, fluorescent products; transformers; ignitors; capacitors; and lampholders
<b>Venture Lighting</b>	Full line of LED fixtures including High Bay, area lights, floods, & indoor fixtures. LED HID retrofit lamps (corn cob), LED tubes and traditional LED replacement lamps. Full line HID lamps & ballast
